Dear Examiner,

This is a after final filing finance response provided under 37 CFR 1.116.**Expedited procedure is respectfully requested.**

In response to the final office action dated 04/18/2008, the applicant feels extremely great difficulty to provide a provide a proper response due to incomplete information provided in the office action. Accordingly, the examiner is respectfully requested to provide a revised non-final office action explaining:

- (1) Why the examination process did not consider as a whole ALL limitations recited in each claim as required by the MPEP? This is particularly important as each claim is supported with recited characteristics for fulfilling the compliance of 35 U.S.C. 101. The office action did NOT provide any comment to these characteristics, which clearly
